Product Information

Add-ons and Integrations

Add even more great features and integrations to your system:

EZSmiles Parent Engagement App

(requires an EZSmiles subscription)

- Contactless check-in / check-out via mobile for parents and staff
- Picture and video messaging
- Real-time push notifications
- Daily Log recording for required activity communications
- Accept mobile payments
- One-touch classroom attendance for teachers

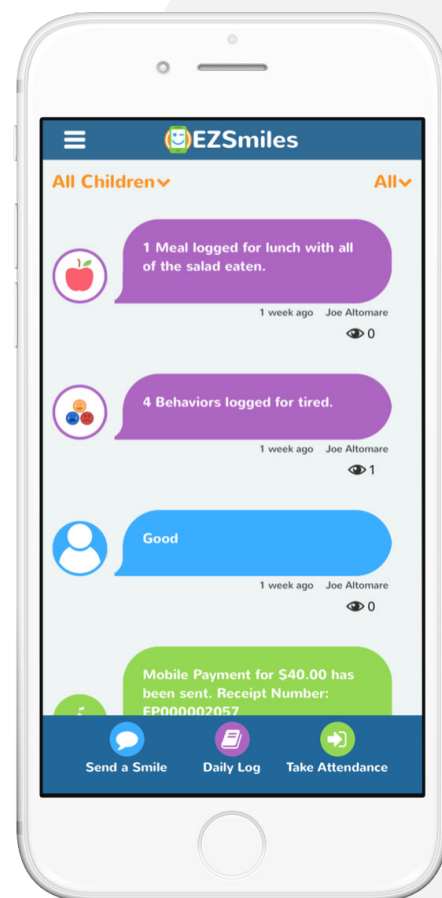

Online Forms, Powered by WebLink

(additional fee applies for Essentials and Express)

- Custom forms with the data fields you need
- Seamless online registration & fee collection
- Brand your form with your logo, colors, and more
- Import enrollment data directly into your EZCare system
- Link your enrollment form in emails and on your website

About Premium Support

- Unlimited phone, chat, and email support from our top-rated North American team
- Live Chat Support to get answers quickly – no “bots,” we promise!
- A toll-free phone number answered by a real human being
- 2-hour response time for Support emails during business hours
- Automatic backups, updates and enhancements through Amazon Web Services, the fastest most secure cloud-based network available
- EZCare Community, our exclusive clients-only help center
- Unlimited live and on-demand training webinars

Product Information

Your Payment Services Account

- Secure, encrypted payment gateway through EZ Payment Services, powered by SafeSave
- No application, setup, maintenance, annual, or other hidden fees or charges
- Our transaction fee guarantee – we’ll meet or beat the payment processing fees of any competing merchant service provider
- Offset transaction fees with EZCare’s Convenience Fee feature, and make accepting credit cards and echecks free to your center

About the Set-up Fee

When you become an EZCare customer, you’ll work with a full team of experts to set up your system and put you on the road to success. Your set-up fee includes:

- Full custom screen design to fit your needs
- Data conversion and transfer
- Custom simple and fixed rate setup
- Payment gateway connection
- New client onboarding webinars

Learn more about the features you need, and start putting EZCare to work for you by attending a group or personal demo at ezcaresoftware.com/demo!
